City Employees Sign Three Year Pact

Without input from the public and after brief discussion, the Placentia City Council Tuesday night ratified contracts with three city employee groups, extending over a three year period of time.

Included in the 104-pages of legal size sheet documents, the contracts provide for wage increases varying from four per cent to seven per cent over each of the three years covered.

The maximum percentage economic increases represented by the three year provisions are 8.5 per cent for the fiscal year to October, 1977 (6 per cent salaries and 2.5 benefits); 1977/78, 5.5 to 7.5 per cent (4 to 6 per cent salary increase and 1.5 benefits); and 1978 to 1979, 5.5 to 8.5 per cent (4 to 7 per cent wages and 1.5 per cent benefits.)

Taxpayers will be paying total benefits for the three year period of an increase between 19.5 per cent and 24.5 per cent. This represents 14 to 19 per cent in wages and 5.5 per cent in benefits.

The negotiations, which first began in July, were conducted in 28 meetings between the city and three city employee labor groups.

The city council Tuesday night also transferred funds from general reserves to cover the first nine months of increases, roughly $98,176. That with the current payroll will amount to wages of more than $2,637,000 for the present fiscal year.

The Placentia City Employees Association and the Placentia Mid-Management group, representing the bulk of employees signed for an immediate 6 per cent increase in wages.

For the next fiscal year the boost will be from 4 to 6 per cent, depending upon "cost of living" data and the following year from 4 per cent to 7 per cent on the same basis.

The Placentia Police Association, negotiating separately, instituted a reorganization of police ranks and job classifications.

According to the schedule, a police officer will receive a 5 per cent salary increase; master police officer, 10 per cent above a police officer's salary; a police sergeant, 10 per cent above the master police officer's salary; a police lieutenant 7.5 per cent above the police sergeant salary and the police captain 10 per cent over the police lieutenant wage.

This makes a top to bottom increase of 42.5 per cent.

Under this system, the contract continues, police officers may also receive a 2.5 per cent or a 5 per cent salary differential above their basic salary based upon education, years of service and performance.

In addition salary increases are noted for October, 1977 and October, 1978 for an additional 4 to 6 per cent and 4 to 7 per cent respectively under the same provisions as approved for other city employees.

Beside the wage increases, employees negotiated for additional benefits including increased city contributions toward their dependents' premiums; long term disability insurance; increased amounts of life insurance; new retirement benefits; compensation for unused sick leave at retirement and at separation; "improvement" of overtime pay; dental insurance and two new holidays.

Vacation for new employees was reduced from three weeks to two weeks for their first three years of

Parade Brings Crowds; Over 25 Suffer From Heat

SOME WALKED--SOME RODE, and many watched from the sidelines as Placentia's 12th annual Heritage Days Festival parade proceeded down the boulevards Saturday. The day was hot, but parade participation was almost 100 per cent. Walking and performing a war dance are Placentia Indian Maidens above.

With temperatures pushing the 100 degree mark, Placentia's 12th annual Heritage Days Festival Parade bedazzled spectators Saturday as it opened the city's annual festive get-together.

Following the parade will be the big carnival, the first in many years, to be located at the corner of Kraemer and Yorba Linda Boulevards. The carnival will operate Thursday through Sunday, October 14 through 17.

The parade Saturday called together a two-hour procession of bands, floats, vintage automobiles, political figures and reigning beauty queens which obviously pleased the crowds assembled.

Perhaps causing the most stir, however, was the number of parade participants who were treated for heat exhaustion during the final stages and at the end of the scorching march.

Temperatures hovered at 99 degrees throughout the day. Band members, and drill teams actively participating in some cases in heavy uniforms, began to feel the relentless rigors of the procession.

Placentia Paramedics treated between 25 and 30 young people who began to fall over near the end of the procession at Bradford and Chapman Avenues. Most were given aid at the end of the parade in

Chino Hills Airport Continuing Threat

"It is my view that we in North Orange County are confronted with a serious situation. To take no individual action at this time will assure the eventual development of a major jet airport the size of Los Angeles International Airport in the Chino Hills within three miles of the Yorba Linda City Hall!!!!"

This salvo was fired by Mayor Henry Wedaa in a prepared statement at a press conference last week in regards to the latest developments in the continuing battle over the proposed Chino Hills Airport.

The Yorba Linda city official has been in the forefront of the fight to prevent the airport from becoming a reality. Recently he teamed with Supervisor Ralph Diedrich to beat back another bid by airport proponents. They are members of the executive committee of the Southern California Association of Governments (SCAG).

Wedaa had warned that a new Airport and Airway Development Act would give proponents of the airport another avenue to pursue in their relentless quest. President Ford signed the bill.

Almost immediately, the Inter-County Airport Authority filed a new application to conduct an airport study. This would be done by the Secretary of Transportation.

According to Wedaa: "Under the present ground rules, this study will likely be approved. If it is approved and an airport subsequently developed, all of North Orange County residents will have their way of life completely altered by the impact of a major jet airport."

Wedaa quoted $52,000 as the initial cost of the study, all but $5,250 being paid by the federal government. Advocate cities of Chino, Stanton, Santa Ana and Garden Grove would chip in for the latter amount. But, Wedaa warned, "This is only the beginning!! Total expenditures during the complete study will be about $1,000,000!"

He bemoaned the support the ICAA has recently received from several Orange County cities and groups, including labor organizations.

To combat the latest airport threat, Wedaa called for opposition to the study but, more importantly, giving support to an alternate plan.

That plan is a discussion between the Orange County Board of Supervisors and the Los Angeles Department of Airports relating to the "creation of a Southern

Grab A Seat When You Open Mail

Friday the 15th, October that is, may become better known than that old Friday the 13th taboo.

Friday the 15th is the day Orange County tax collector treasurer Robert Citron has selected to mail Placentians and other Orange Countians their $828 million, plus, in tax bills.

And that will be bills for about $97 million more than last year. On Friday, everyone finds out how much of that is his.

If it is any consolation to the individual taxpayer, there will be 483,758 more customers who will be receiving bills on the same day throughout the county.

Citron is mailing the bills but he is happy to pass on the credit to someone else. The county assessor, of course. The county assessor, through with his part of the traumatic experience, is doubtless all ready making plans for next years bad news.

The average tax increase throughout the entire county for the year will be 18.9 per cent, indicating that much in increased spending by some 213 different taxing districts in the county. The average tax increase per home in Orange County will be

$750 Million Flood Project OKed

Orange County residents won a major victory as Congress authorized a Public Works Omnibus Bill which includes the Santa Ana River Flood Project.

Fourteen years after the Board of Supervisors first requested Congressional action, news of the victory was flashed to Orange County officials by Congressman Jerry Patterson, former Santa Ana mayor and Placentia City Attorney and long time advocate for the protective measures.

The Congressional action authorizes the Army Corps of Engineers to begin work on a project which ultimately will furnish flood protection for more than two million

Carnival Here Thursday

The carnival is coming to town with ten big rides and four or five for the very young set.

The Western Pacific Show from Lafayette, California, under the sponsorship of the Placentia Heritage Days Festival Committee, will be in operation with carnival rides and games at the corner of Kraemer and Yorba Linda Boulevards from Thursday through Sunday, October 14 through 17.

Hours Thursday will extend from 4 to 10 p.m.; on Friday, 4 p.m. to 11 p.m.; Saturday, 10 a.m. to 11 p.m. and Sunday, from 12 noon to 10 p.m.

A number of game and food booths will be operated by local organizations at the carnival site and special entertainment will be provided during the four days.

A dunk tank will be one of the featured attractions.

Teachers OK Pact With 5.2% Raise

A vacillating vote this week approved a teacher's contract for the Placentia Unified School District which carries almost identical provisions to the proposal rejected two weeks earlier.

Teacher members of the Placentia Unified Education Association (PUEA) the bargaining agent, ratified the contract with a vote of 408 to accept and 89 reject. The vote was recommended by the PUEA governing board.

An election two weeks ago, on almost identical provisions, including the 5.2 per cent wage increase and an increase to $20,000 in individual life insurance, was rejected by PUEA members. The vote, then recommended by the PUEA advisory board for rejection, was discarded with 425 nos and 89 in favor.

The 89 vote exactly reversed in position.

Committee Urges That House Stay

The fate of the Bradford House was expected to be a step closer to determination this week, as a special meeting of Placentia City Council members and Bradford House Advisory Committee was scheduled to convene Tuesday night.

The home, residence of one of the founding fathers of Placentia, Albert Sumner Bradford, has been in extended controversy since it was given to Placentia citizens by Bradford's heirs.

A public vote in April found the home wanting by 220 votes for approval of its upkeep and maintenance by taxpayer funds. Since that time, the fate of the home has been in serious question.

The special city council-appointed Bradford House Committee recently presented an impressive report to Council outlining how the home can

Senior Program In Jeopardy

HOW MANY WILL BE DENIED? was the question being asked in Placentia this week as serious cutbacks in the city's Senior Citizen TLC program were announced. Expected federal funding will not be forthcoming, thereby holding the program to a minimum and preventing its expansion.

BY BETTY MEAD

If the popular acronym TLC means Tender Loving Care to the rest of the world, in Placentia this week it may become Too Little Care.

The dilemma was in evidence here as word was received Monday that Placentia's TLC program will now be held at an arbitrary number. The change is being mandated by cutbacks in federal funds which have supported the program designed for senior citizens.

The TLC program in Placentia, part of a 17-outlet based county effort, actually stands for something a little more specific than love and care.

The name of the program is Transportation- Lunch -Counseling and the part that is in serious jeopardy this week is the free lunch served to low income seniors five days a week at the Whitten Community Center.

The project has recently moved from the Backs Community Building

Three Police Promoted To New Rank

As a result of city council action and labor negotiations, three Placentia Police lieutenants have been upgraded to the rank of captain, it was reported this week. Affected are James Corrigan, Walter Pichon and James Robertson, previously lieutenants.

Detective Alan Welch also was promoted to the rank of sergeant due to a vacancy in that position, created by the demotion of former Sgt, now officer, Eugene Cason.

Captain Pichon heads the Operations Division which includes patrol, traffic, Police Reserve Officer Program, detectives and the Youth Services Bureau.

Captain Corrigan is in charge of the Support Services Division. This Division is responsible for records, communications, the jail, property control, fiscal management and statistical analysis.

Captain Robertson is responsible for the Administrative Services Division. He is in charge of planning, training, personnel, intelligence, crime prevention, quality control, inspectional services, internal affairs and other related duties.

Sergeant Welch has been assigned to the Patrol Bureau as a Watch Commander.

Other changes include Officer David Taylor who is transferred from Patrol Bureau to Youth Services Bureau; Officer Thomas Correll from School Resource Officer to Patrol Officer; Officer John Somoya from Juvenile Investigator to School Resource Officer, and Officer David Mitchell from Patrol Officer to Detective.

California Airport Authority." Other counties will be asked to take similar actions, Wedaa revealed.

He described the study as "similar to that proposed by the ICAA except that they (Department of Airports) plan to take a regional view in the study rather then the narrow Orange County view proposed by ICAA. I propose that we in North Orange County support this 'to be proposed' regional study."

Wedaa admitted that the regional study could include the Chino Hills area. However, he pointed to the proximity of Ontario International Airport, "only 14 air miles from the proposed Chino Hills Airport", the clogging of the flight path into LAX, causing re-routing over many Orange County cities.

Letters to elected representatives were urged by Wedaa to oppose the ICAA study bid. He said the letters should be sent to city councils "requesting their opposition", the same to boards of supervisors in Orange, San Bernardino and Riverside Counties; to SCAG, officers of the Federal Aviation Administration, Department of Transportation and elected officials at the national, state and county levels.

Wedaa also reminded that there is a local organization, PATCH, which can be contacted and worked with in opposition to the airport. The phone number is 524-7811.

Wedaa explained his expertise on the subject as stemming from his work in preparing environmental impact reports for both Los Angeles and Ontario International Airports.

Teacher Contract

[Continued from Page 1]

members of the Placentia Unified School District Board of Trustees thought they had a mutually accepted document, were primarily discussions on class size, the evaluation program and working hours.

However, provisions in these categories appeared to be little changed.

In the newly negotiated refinements, class size appeared to increase from 25 students to one teacher to 26 students to a teacher. This was altered, it was explained, to facilitate bookkeeping.

Evaluation program refinements also were reportedly discussed but apparent desires to have complaints in writing eliminated were overruled by requirements of higher law that they be in writing.

A deliniation of working hours, introduced to the bargaining by the teachers' side of the table, remained nearly identical in the last round-robin but appears in more flexible language. Instead of the 7.5 working hours called for in the first contract, the second pinpoints a 6.5 hour day with another hour to be assigned.

An additional 45 hours a year was agreed to "for equitably assigned duties", making it appear on the surface as a more demanding proposal.

The 5.2 wage increase gives teaching personnel at PUSD their third type of raise. Already on the books and agreed to by taxpayers through their trustees are raises for longevity and for completed increased education. Benefits also are multiple.

Teachers, turning down the first contract, had indicated an interest in further discussing a larger raise. However, opening enrollment in the district, which has not lived up to expectations by about 375 students, has curtailed subsequent revenues through less average daily attendance monies.

Around 700 local teachers are involved in the negotiations, 657 of them reportedly members of PUEA. The local group also is affiliated with the California Teachers Association and the National Education Association, now claiming an Orange County membership of 13,824.

Tax Bills

$200.

But in Placentia that's just a part of it. The average increase per home anticipated here will be $269. That's just the increase. Or in another form, a 27 per cent anticipated jump.

By Saturday Placentians and other residents of Orange County, having had a day to study their tax bills, may turn to other thoughts.... like economics. There must be something Orange County could get along without...if it tried real hard.

For openers, maybe, even, the tax assessor.

Bradford House Recommendations

[Continued from Page 1]

be saved through other means than public expense.

Details of an intensive two-month effort were expected to be examined at length at the special session Tuesday.

In a report read to city council by committee member John Faley, the special advisory committee outlined its findings. Among items pointed out were:

The house is valued at $300,000 with 6,000 square feet of usable space.

The actual cost of the park development, around the home, is less if the house remains. Cost of the park without the house is estimated at $33,500 and with the house, $22,000.

The city has a need for a cultural and educational center. "The study sets forth how this house could serve these needs and at a minimal cost to the city."

Recommendations to the city council by the committee are: that the house not be demolished; that it not be sold and that the city apply for the designation of the entire park, including the house as an "historical point of interest."

The committee further recommends that immediate self-supporting uses be implemented for the house by:

Renting a room to the Placentia Chamber of Commerce and another nonprofit group such as the Orange County Chapter of the Audubon Society; some adult education classes be held in the house as well as childrens cultural classes.

In addition that a meeting room be provided for rental to nonprofit groups.

Mechanics of providing upkeep and care for the 1904 home, which is located on Palm Drive between Kraemer Boulevard and Bradford Avenue, would include providing a room for individuals who would supervise the house and serve as custodian.

Also recommended is that insurance, which has reached a higher dollar level as the home is unoccupied, be renegotiated on basis of the new proposals.

A parking area is also recommended for the building's use.

Further provision would be that the expense of bringing the home back to a useful condition be reassessed.

Taking a still broader look, the committee also recommended that the city conduct a needs assessment survey of the cultural arts for the 20 to 50 years age group in Placentia and that the city establish a cultural arts commission.

In summary the committee stated: "The committee believes that the community should use the Bradford House to meet emerging needs as our city matures. It is an ideal location.

"The suggested plan of use should be considered as a first phase, temporary use. As requests for use of the house's space are made, the need will become more clearly defined and community support will become more evident.

Flood Project Approved

[Continued from Page 1]

residents of Orange, Riverside and San Bernardino Counties.

Areas primarily affected in the city of Placentia run along the Santa Ana River basin in the general southerly sections of Atwood and La Jolla, Ben Minamide, Placentia Director of Community Development explained.

A devastating flood in March 1938 routed people from their homes in this section with several reported drowned. Water ascended into residences and moved some houses from their foundations. The floods reportedly rose five feet in five minutes.

The new project would be expected to eliminate a recurring possibility of the tragedy.

Measures recommended by the Corps Division Engineer will correct the existing situation on the Sana Ana River, it was reported, identified by the Corps as the "worst potential flood threat west of the Mississippi."

Ultimate cost of the project has been estimated at 750 million dollars but eliminates the threat of a 3.6 billion dollar potential loss in Orange County alone.

In taking the action authorizing the bill, including the Santa Ana River project, Congress shortened the time frame to eventual completion of protective works by 2-5 years. Figures furnished by the Orange County Flood Control District indicate savings to the county of approximately 73 million dollars per year for the lower river alone.

Under normal processing, without the Congressional action, the project would not expect to reach Congress for at least another year with no action probable for at least two more years.

Every member of the Congressional delegations from the three counties has actively worked for the project in the House of Representatives with Senators Cranston and Tunney supporting it on the Senate side.

This united effort resulted in the Water Resources Committees of both Houses taking positive action in taking the matter through Congress in a very short time.

The Congressional effort resulted in a large degree from the efforts of elected county and city officials. The Santa Ana River Flood Protection Agency came into being less than two years ago when the Board of Supervisors accepted Chairman Ralph Diedrich's proposal that a united effort could be effective.

Since that time, Supervisors Diedrich and Clark's efforts as Commissioners have been augmented by mayors and councilmen of sixteen Orange County cities including Placentia, a representative of the Orange County Water District.

In one of its most recent actions the Agency early in August coordinated testimony of a group of elected officials before the Senate Water Resources Subcommittee of the Public Works Committee.

Testimony before the Committee was furnished by Chairwoman of the Agency, Harriett Wieder, mayor of Huntington Beach, Supervisor Robert Townsend of San Bernardino County, Board Chairman Donald Shroeder of Riverside County, and Orange County Board Chairman Ralph Diedrich. The group of 12 officials was introduced to the committee and its purposes endorsed by Senator Alan Cranston and also endorsed by Senator Tunney.

In its passage through Congress a stumbling block developed as the two houses approved different measures. Coordinated efforts on the part of Congressmen from the three counties resulted in the House version being changed September 29 to read the way local interests desired.

This version was accepted by the Senate in conference committee only a few hours before Congress adjourned. Final passage of the bill by both houses came in the waning moments of the second session of the 94th Congress early last Saturday morning.

Parade Success — Heat A Problem

[Continued from Page 1]

local calls and to bring ice packs to the suffering marchers.

Liquids were not immediately available at the vacant lot were the parade dispersed but were quickly brought into the spot. Rickard reported. The problems apparently stemmed from the heat of the day and that band members, who must play and march, had no way of consuming sufficient liquids before their long walk.

Paramedics estimated they spent about an hour with the heat exhausted parade youngsters in the unseasonal weather.

It was a new problem for the parade, which last year suffered from an excess of moisture as rain threatened to drench and wash away the 1975 procession. However, clouds subsided in time.

Saturday's activities also produced two lost youngsters who were later found. One, a local boy, returned home. The other, a girl from Whittier reportedly found her way to Fire Station No. 35 where she was led to a reunion with her group.

Other casualties of unexpected developments were Grand Marshals Bo Donaldson and the Heywoods who arrived and headed the parade to loud applause...but only in token numbers.

A flu epidemic has hit the famous rock singing group with only determined Bo Donaldson, his mother Beatrice Donaldson and Bo's brother-in-law, Gary Coveyou, a member of the group, participating in the parade.

They had left their isolation to make the appearance, not wishing to disappoint parade viewers. Other members of the troupe are still suffering with their flu bugs and were too ill to participate, it was reported. Because of the illness the group did not remain to award parade trophies as had been anticipated.

As many bands, drill teams and other parade participants filled Kraemer Park for the trophy awards, a continuous line of marchers formed around the park's water outlets for respite from the heat through the end of the award ceremonies at 3 p.m.

Six were in serious enough condition to be taken to Placentia-Linda Community Hospital where they were treated and released to their groups, Paramedic Dennis Rickard reported.

The number of victims caused another Paramedic unit to be brought to the scene to service other the dispersal point on the eastern gounds of the Placentia Calvary Church.

Police are to have binding arbitration of grievances.

Police will have an 8½ hour work schedule with a one half hour off duty meal period.

Maintenance standby pay will be increased from $35 to $45 immediately and to $50 in October, 1978.

The Safety Committee of the Placentia Junior Round Table is suggesting "Trickier Treats" this Halloween.

Instead of handing out edible treats this year, they are recommending items such as pencils, erasers, balloons, small toys, trading cards or pennies. This could be cheaper for the giver and will also be more appreciated by the children since they will obtain practical and fun treats.

Macri Art on Display

Lovely oil paintings by Jeanne Macri are being exhibited at Yorba Linda library during the month of October.

Jeanne's career in design and art forms began years ago in her native Alsace, France. Her medium was the needle, with which she created her own designs in sewing, crocheting and knitting.

Ten years ago she embarked on a new hobby, a career in crafts which included papier mache, decoupage, and plaster of paris art forms. Seven years ago she began devoting her creative energies to serious painting, working in pastels, acrylics, oils and other mediums.

Now concentrating on oils, she paints animals, flowers and landscapes and seascapes. Her work is easily identified by its precise realism and the liveliness of her colors.

Jeanne lives in Yorba Linda with her husband, John, and two sons. The eldest will be a doctor in a year, the other attends Santa Barbara college.

The library art exhibits are a project of the Yorba Linda Woman's Club. Anyone interested in showing may contact Mrs. B. V. Kemp, 528-7659 or Mrs. Roy Knight, 528-7401.

Hayakawa In County

Dr. S. I. Hayakawa will be guest speaker at the Friends of UCI annual meeting featuring a gourmet dinner, with wine, at the South Coast Plaza Hotel, Tuesday evening, Oct. 19, at 8 p.m.

Dr. Hayakawa, who is the Republican Senatorial candidate in California, is taking time out from his busy campaign schedule to make this non-political appearance, the group reports.

His subject will be the Problems of Higher Education, something he is very familiar with from his years in the academic world, most recently as president of San Francisco State University.

Reservations for the dinner can be made by writing to the Friends of UCI, University of California, Irvine, CA. 92717, or by calling the Friends of UCI at 833-6424, between 10 a.m. and 2 p.m. Tickets are $15 each, and a portion of the cost is for the benefit of the Friends of UCI. Y's Men Pick In Pumpkin Patch

The Placentia/Yorba Linda Y's Mens Club is embarking on it's annual pumpkin campaign to raise funds for YMCA programs in both Placentia and Yorba Linda.

Thousands upon thousands of pumpkins were picked and transported by club members last week and will be sold throughout Placentia and Yorba Linda in the next three weeks. "This should be one of our most successful years", reported Bob Nixon, chairman of the program. "We hope that people will think about us and the fact that the proceeds of this event will support youth programs throughout the two cities."

Special orders are encouraged and will be set aside for pick-up simply by calling Bob at 996-5400 or 524-8835. The YMCA offices in Yorba Linda, Placentia and North Orange County will also provide assistance. Their numbers are 993-5111, 993-6421, and 879-YMCA.

Concert Season

North Orange County Community Concert Association will begin its new season Saturday night, October 16th at 8:15 in Plummer Auditorium, Fullerton.

The Best of Gilbert and Sullivan Operettas will be performed in costume by Opera A La Carte with a five member cast under the direction of Richard Sheldon.

Kathryn Underwood, mezzo soprano, who has been with the company since 1973, will be singing and Richard Sheldon himself will have a role in this "brilliant satire and authentic style of the Gilbert and Sullivan experience."

Community Concerts is nationwide with 47 organizations in Southern California alone. A membership ticket purchased in one organization will admit the bearer to any Community Concert in the United States or Canada free of charge.

Since it is nation-wide, communities can take advantage of the best talent available in this country and abroad for a nominal fee.

Season tickets may be obtained at Plummer Auditorium the night of the Gilbert and Sullivan performance on October 16th, or call 871-6632.

Corral 67 Horse Show

Corral #67 will sponsor a Fall Horseshow at 8:30 a.m., Sunday, October 17 at Whittier Narrows Horsman's Park.

Events will include a showing of foals, mares, stallions, showmanship at halter and numerous performance classes in Western, English and, for a first time in this area, participation of the Registered Peruvian Pasos, a delight to watch in motion.

Trophies will be awarded for first place and ribbons for first place thru fifth. A club spokesman said participation in such shows gives young people the opportunity to develop good horsemanship and self disciplined competition.

The show is open to the public and refreshments will be available all day. Horsemans Park is located at the Peck Road turnoff south of Interstate 605. For further information call 442-9214.

Smallpox, once one of the most deadly killers of all diseases, has now been so completely controlled that routine vaccination against smallpox is no longer recommended in this country. The risks of complications associated with vaccination, although minute, are now greater than the risk of an un-vaccinated person contracting the disease.

There is, of course, some slight chance that a case of smallpox could come into this country from abroad, but efficient means of tracking such cases exist to minimize the danger.

There's no danger at all that you'll be disappointed in our fine prescription service at LINDA VISTA PHARMACY, your professional pharmacy. We honor all third party prescription plans.

Elks Salute Press—Courier

Placentia-Yorba Linda Elks Lodge #2536, in recognition of National Newspaper Week, unanimously passed a resolution of appreciation to The Courier for its contributions to this area, reported Robert Davis, Exalted Ruler.

Joining with Davis in the salute to our country's newspapers was George B. Klein, Grand Exalted Ruler of the order.

"We have seen many examples in recent years of just how vital a free press is to the well-being of the United States," Klein noted. "Our newspapers act as one of the strongest bulwarks available to all of us in our constant vigil to see that the nation remains free and strong."

David added that the appreciation of each member of Placentia-Yorba Linda Lodge is warranted because of the cooperation extended to the lodge since it was formed in 1975.

Placentia-Yorba Linda is one of 2,212 Elks lodges with more than 1.6 million members in the United States, Puerto Rico, Guam, Canal Zone and Manila, P.I.

The lodge, which holds regular meetings each Thursday at 8 p.m., is located at 301 S. Main St., Placentia.

Lanctot Seeks School Post

Raymond B. Lanctot, 551 Tangier, Placentia, is the incumbent candidate for the Orange County Committee on School District Organization from the third supervisorial district.

Lanctot, an engineering section head for Hughes Aircraft in Fullerton, has lived in Placentia for 11 years. He and Mrs. Lanctot have four children--one in Morse Elementary School; two in Valencia High School and one at California State University at Fullerton.

"My community activities include PTA work with Morse Elementary, Kraemer Junior High and Valencia High Schools," Lanctot explains, "the Valencia Band Boosters Club, Boy Scouts, YMCA Indian Guides, coach for Placentia Bobettes; backpacking leader for Girl Scouts of America and a member of St. Joseph Catholic Church."

Lanctot, who is opposed by Bob Simpson from the Lowell Joint District, has served on the committee since 1973.

"During my four-year-term, the county has experienced big changes in growth patterns in some districts and reduced student enrollment in others," Lanctot adds in his candidate statement. "The net result of committee work is that Orange County continues to have the best education system available with a reasonable tax burden on the public."

The selection for the new terms will be made at an October 13 meeting of the Orange County School Boards Association.

Johnson At Convention

Gary Johnson, Maintenance Services Superintendent for the city of Placentia, returned here Saturday morning from a convention trip to San Francisco, Wednesday through Saturday.

The annual session was the meeting of the Street Superintendents and Maintenance Associations Annual Conference and Equipment Show.

Johnson taught a workshop at one of the sessions, he reported.

The trip was one of several out of town meetings attended by city staff recently.

Church Holds Country Fair

The weather man says "sunny skies" for Saturday.

Barring a change of the meteorological mind, Yankee Doodle Country Fair, to be held October 16 in the parking mall of Alpha Beta Shopping Center, should draw a large crowd. It is sponsored by the Church of Jesus Christ of Latter Day Saints.

Visitors will find emphasis, in deference to the Bicentennial year, on a renewal of old-fashioned arts and crafts -- handmade quilts and coverlets, crocheted afghans and boutique items, creative stitchery, handcrafted furniture and one-of-a-kind pictures and plaques.

Children, dreaming already of Christmas, will oooooooh and aaaaaah over displays of dolls and doll clothes, puppets, animal kingdom characters, gingerbread houses, woodcrafted toys and novelties, and an array of stocking-stuffer suggestions.

To add to the festival mood, there will be game booths, live entertainment, a mid-afternoon auction, and homemade picnic fare and sweets.

Fairgrounds at Yorba Linda Boulevard and Valley View, in Yorba Linda, will be open to the community from 10 a.m. until 6 p.m.

Genealogical Workshop Set

An Everton Genealogical Workshop will be held on October 16 at Forum I, Golden West College in Huntington Beach from 8:45 a.m. to 4 p.m.

Gay Kowallis will be the speaker at the event sponsored by the Orange County Genealogical Society. Work sessions will be at 9:30 a.m. and 1 p.m. Questions will be asked at 4 p.m.

For tickets at $3 per person call 838-7174 or 897-9194.

P.E.O. Meets

The North Orange County Reciprocity Bureau of the P.E.O. will hold the regular quarterly meeting on Friday, October 15, at the First Presbyterian Church, McAulay Hall, corner of Grand and Maple in Orange. Parking is available on Grand.

Presiding over the business meeting will be Mrs. Pam Ponciroli, Chapter Y, Fullerton. Chapter PZ, Anaheim will hostess the 9:30 coffee with the meeting following at 10 a.m.

Tar/Taste Theory Exploded.

Taste-science breakthrough gives low tar MERIT the flavor of cigarettes having 60% more tar.

By locating certain flavor-rich ingredients in cigarette smoke, ingredients that deliver taste way out of proportion to tar, researchers at Philip Morris have disproven the theory that cigarette flavor depends on the amount of tar that goes with it.

They've discovered how to pack flavor—unprecedented flavor—into a cigarette that delivers one of the lowest tar levels in smoking today.

The discovery is called 'Enriched Flavor.'™ It's extra flavor, natural flavor, and only MERIT has it.

In taste tests involving thousands of cigarette smokers like yourself, MERIT was reported to deliver as much—*or more*—taste than current low tar leaders.

FACE MASKING - Buena Park player in dark jersey illegally fends off Albert Bushala [#33 white] running interference for his brother Tony [#34] in Warriors 19-zip victory. Also blocking for Troy is #55, Larry Hickox and #85, David Doyel.

Warriors Slaughter Coyotes

By Scott Emblidge

Troy High School evened its record at 2-2 with a 19-0 victory over Buena Park Friday night at Spaulding Stadium and again it was the running attack of the Warriors that was responsible for the victory.

Tony Bushala gained 172 yards on 30 carries and Tony's brother, Albert gained 73 yards on 7 carries for a 10.4 average to add to a 247 yard rushing attack.

Tony, who remains North Orange County's leading rusher with 534 yards in four games, carried the ball on all but one play on Troy's opening scoring drive of 57 yards. That one play was a one yard plunge by quarterback Richard Bridgeford for the score.

Troy's defense then stopped the Coyotes with the aid of a crucial holding penalty and the offense came back with a 77 yard drive. The score again was registered by Bridgeford, this time on a three yard run, and that gave the Warriors a 12-0 edge at half time.

Bridgeford showed some excellent roll-out passing with the six foot junior completing five of seven for 45 yards. Bridgeford now has 144 yards on the season while completing 13 of 25 passes.

At the start of the second half, Buena Park had good field position for the second time of the night, but again Troy's defense stopped the Coyotes cold.

Gary Kingstrand, Gary Lenhart, Tim Myers and Larry Hickox all played exceptionally as did the entire defense. The Warriors have only given up an average of under seven points a game this year.

The offense came back again after Buena Park was stopped and it was the Bushala brothers again gaining the yardage. Albert took the ball in from 25 yards out with excellent blocking opening a hole and Bushala sprinting through for the score. Dan Worthington added an extra point and the Warriors led 19-0.

The defense held Buena Park for the remainder of the game and Troy gained their first Freeway League victory and will be in search of the second against Magnolia Friday evening in Troy homecoming game.

Tigers See Polo Action

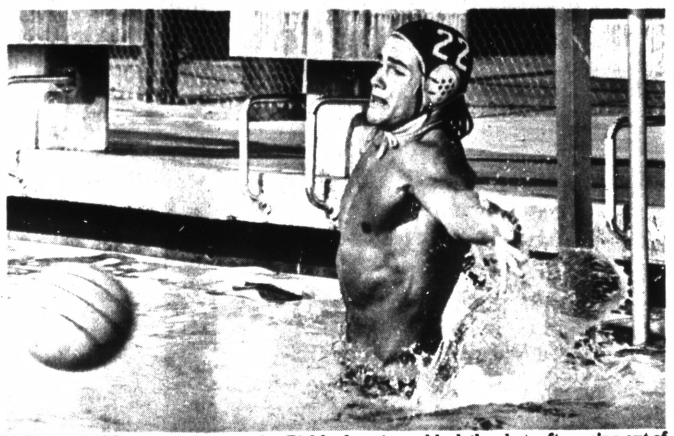
The Valencia poloists will host Orange High School at the Tiger's pool on Thursday, October 14. The frosh-soph game will begin at 3 p.m.; the varsity game will follow at 3:45 with the JV game at 4:30.

Dave Thow, Tom Stange, Steve Valdez, and sophmore goalie Karl Reiter have shown the most improvement thus far this year. The most consistent player for the year has been Mike Morrissey who Coach Tom Grimm credits with being "one of the hardest workers I've ever had."

Leading the frosh-soph squad this year have been freshman goalie Ken Pintus, Chad Nichols, Jeff Hardin, and sophomore Kevin Klem. Others members of the frosh-soph team putting in a lot of playing time include: Chris Berg, Kenny Druff, Cathy Gardener, Todd Hope, Dan Nieuwlandt, Stacy Rudolph, and Devin Walsh.

Players rounding out the squad include: Hans Borg, Ray Borzone, Scott Cleveland, Gordon Colman, Jay Cruz, Greg Davis, Darron DeVillez, George Ferreras, Chuck Fett, John Fumo, Jim Mobley, Pat Moynihan, Mike Murphy, Rich Olsen, Dave Pinckney, Chip Reiter, Dick Tourne, Chuck Warner, Larry Wendell and Jim Youlton.

Tuesday, October 19, the Valencia poloists travel to Fullerton High School to continue Orange League play. Game time will be 3 p.m. for the frosh-soph game, 3:45 for the varsity, with the JV game at 4:30.



FUTILE LUNGE- El Dorado goalie Jay Bickford strains to block the shot, after going out of the goal in an attempt to steal the ball. The Hawks defeated Brea 13-12 in sudden death overtime at the Sonora pool last week.

PASS- Sophomore Mark Rangle makes a pass against Brea in a hard fought battle last week. The Hawks are considered CIF contenders in water polo again this year, after winning last year.

Hawks Dip Wings Once

By Brian Hilderbrand

El Dorado's varsity football team lost its first Orange League game in three years last Thursday night to the Canyon Comanches, 10-7.

The Golden Hawks' last league loss was to University High in 1973. That year the Hawks shared the league champ honors.

El Dorado looked very strong in the first half, picking up 120 yards total offense to Canyon's 22. The Hawks were led primarily by tailback Ronn Bose, who gained 85 yards of his 101 total in the first two periods, including a 20 yard touchdown run.

Canyon got on the scoreboard first with a little help from El Dorado. With a fourth and 30 situation, the Comanches elected to go for the first down. Canyon QB Mike Jacobs fired a pass intended for Greg Canfield. On the relay, Canfield drew a pass interference penalty from ED, and received a first down at the 15 yard line.

The Hawk defense tightened up, permitting the Comanches only five yards in three plays. On the fourth down, Pat Cooper came in and drove a 26 yard field goal through the uprights, giving Canyon a 3-0 lead with 4:20 gone in the first quarter.

On the ensuing kickoff, El Dorado marched 63 yards in seven plays to a touchdown. Bose, running with the ball on every play, took it across from the 20 for six points. Frank Weber kicked the PAT to put ED in front, 7-3. El Dorado would retain this lead until the fourth quarter.

On the opening play of the final period, sophomore fullback Ken DeShano took the ball at the 26 and ran it in for the score. Cooper's PAT kick was good to put Canyon back in the lead, 10-7.

With 1:50 left to play, El Dorado fumbled the ball away at the Comanches' 34 yard line, presumbably ending any hope of another ED score. But on the second Canyon play, Mark Pontious recovered the loose ball at the 32 yard line.

On the fourth down and 10 yards, the ball still at the 32 yard line, the Hawks decided to attempt the first down. ED quarterback Brian David rushed around end on a keeper for no gain. Canyon took over the ball with :28 remaining in the game.

On the loss, coach Glen Hastings stated: "Our offense made too many stupid mistakes," obviously referring to the many dropped passes, several that would have led to a score.

El Dorado suffered several offensive lapses; at times (as in the first half) very strong, and very weak (as in the third quarter, when ED only gained nine yards in offense) at other times.

The Hawks sport a 1-1 league record, and will run up against Esperanza (2-0) Friday night at Bradford Stadium. The Aztecs are currently locked in a three-way tie for first place in Orange League with La Habra and Sonora. ED is tied with Canyon for second.

Esperanza is coming off a 27-0 routing over Brea.

Esperanza Polo

The Esperanza water poloists traveled to Chino for their first game of the season and decisively defeated their hosts 24-1.

Following their win, the Aztecs co-hosted the Villa Park tournament where they took second place among the teams entered. They easily defeated La Quinta and Westminister before meeting a physically agressive Santa Ana team in the semi-finals.

Coach Mike Smith's Aztecs won the hard fought contest 11-9 putting them in the finals against Villa Park. In that game they lost 6-12 as Villa Park won the tournament.

In discussing the tournament, Coach Smith said he thought the team had done an excellent job in coming in second. He singled out for special praise his two high scorers, Peter Bourke and Glenn McKeever, as well as goalie Mark Donaldson who blocked four penalty shots.

The varsity poloists played their first league game against Valencia, defeating the Tigers 25-1 before learning that Valencia had forfeited the game, apparently because of disciplinary problems.

The soph-frosh, paced by high scorer sophomore Paul Bopp, defeated the Tigers 10-7.

According to the Bobette By-laws, any girl in grades 9-12 who had previous Bobette experience may try out for any traveling team. Tryouts will be December 4, and 11. Coaches and managers are still needed to assist. Call Pat Fleet, league president, at 528-5605 for information, the group suggests.

HERITAGE DAYS

SPECIAL PULL—OUT SECTION

FIGHTS ARE FUN at the Chris and Donna Myers household in Placentia where husband and wife are both champion arm wrestlers. The couple this year will also be supervising an arm wrestling contest in connection with Placentia's 12th annual Heritage Days Festival.

Arm Wrestling Competition Open

Placentians are invited to enter an arm wrestling contest in connection with Placentia Heritage Days Festival.

The competition will be coordinated by Chris and Donna Myers, both of whom are former state, national and world arm wrestling champions.

The arm wrestling events will be held on Saturday, October 16 at 1 p.m. and the finals on Sunday, October 17 at 2 p.m. Both competitions will take place at the site of the four day carnival at the corner of Kraemer and Yorba Linda Boulevards.

Entry blanks for the arm wrestling are available at local school physical education departments and the Placentia Recreation Department office at 117 North Main Street.

Competition for males and females will be according to weight divisions with Mr. and Mrs. Myers coordinating the events.

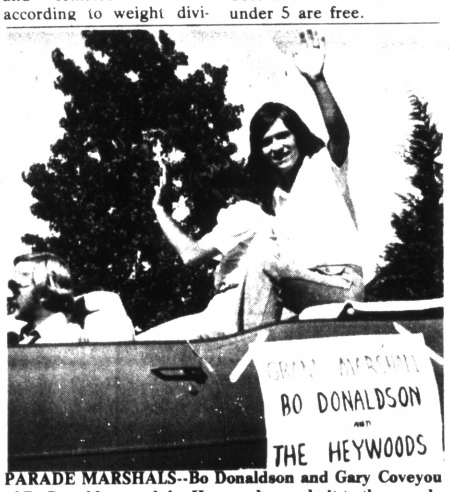
Further information is available at 993-8232.

Chamber Will Serve Pancakes

The Placentia Chamber of Commerce will present their annual Pancake Breakfast in conjunction with the Placentia Heritage Days Festival on Saturday morning, October 16.

The annual event will be held this year on the grounds of the Bank of America, Yorba Linda and Kraemer Boulevards across the street from the site of the Festival Carnival.

Breakfast will be served from 7:30 a.m. until noon and patrons may buy pancakes, sausage, orange juice and milk or coffee. Cost is $1.50 and children under 5 are free.



PARADE MARSHALS--Bo Donaldson and Gary Coveyou of Bo Donaldson and the Heywoods, made it to the parade Saturday, but an epidemic of flu made it impossible for the entire musical group to attend. Also riding in the parade was Mrs. Bea Donaldson, Bo's mother. Driving the car is Ken Sjolin.

Early Pictures At Library

"Who's in the pictures?" is the new Heritage Days Festival game being played at the Placentia Library.

The pictures belong to local historian George Key and contain youthful reproduction of many of the city's early citizens.

The display will continue at the library through the month of October.

Juried Art Show

Members of the Placentia Art Association are eagerly getting their work ready to enter the association's annual Juried Art Show, to be held Saturday, October 16, at Backs Community Building, 201 N. Bradford, Placentia.

Eligible media include paintings, crafts, ceramics, sculpture, macrame and jewelry. The work must be original, not more than two years old, dry and ready for hanging or display, and may be no larger than four feet in any direction.

Work may not have been done under the direction of an instructor, and may not have been entered in a previous Placentia Art Association show.

Entries will be accepted at the Backs Building between 8:30 a.m. and 10 a.m. the day of the show, and will be limited to four entries per person. Entry fees are $5 per entry for non-members of the association; members will pay $3 per entry or $5 for two entries.

The city of Placentia will offer three purchase awards: $250, $150 and $100. Entries winning these awards become the property of Placentia and will be displayed within the city. Century Federal Savings and Loan will present a $100 award, and the art association will present craft awards of $35, $25 and $15.

The show will be open for public viewing from 12 noon to 4 p.m. Manuel DeLeon, art instructor at Cypress College, will judge all work. Presentation of awards will be at 3 p.m.

For additional information, contact Exhibit Chairman Marion Zila at 528-5785 or President Belle Donnici at 998-7039.

FIRST PLACE in the float category was won again this year by the Huya Nation Indian Guides with their colorful entry complete with teepees and a forest of trees. The Huya cry was a part of the presentation.

PRETTY AS A PICTURE against a backdrop of palms, mountains and sky, Fountain Valley High School marched before the judges Saturday to win the coveted Sweepstakes Award for bands. The day was clear but the heat made it an endurance contest for the people marching

Hot Day For Successful Parade

A two-hour long crow pleasing procession of people, machines, horses and novelties held parade-goers at Placentia's 12th annual Heritage Day Festival parade Saturday through 99 degree heat.

Marchers of all ages, bravely went through their acts before judges who faithfully evaluated their talents. Judging of the many colorful and talented groups participating must have been a difficult task at the judging stand.

Dignitaries from several cities possibly led the list of parade categories with around 23 participating. Close behind were an impressive array of bands, about 19, with an equal number of drill teams and 12 majorette groups.

At least six pretty girls added color to the procession besides the number of beauties who participated in group activities and specialty troupes.

The Placentia Mat Rats, performing on the hot pavement demonstrated their skills by turning heels over heads over the rough cement with nothing to break their fall on most of their excercises.

A complete orange tree brought comment from parade-watchers as it rolled down the street on the Future Farmers of America float and the Shrine Club Cycos on their miniature motor bikes gave the crowds a few breathless moments as they narrowly missed each other in their programmed drills, darting in and out.

The Indian Maidens drew a lot of attention with their war dance performed in warm costumes on a hot, hot day and the Huya Nation huyaled its way to another parade trophy.

Majorettes had the right costumes for the scorching heat but bands and drill teams performed like professionals in spite of exceptionally warm clothing.

Floats were few but appreciated and the marching entries loudly applauded for their endurance. A number of antique cars were outstanding in the procession and caught many an envious eye. Horse entries were limited but appreciated.

The heat caught up with faithful marchers near the end of the procession and between 25 and 30 youngsters were treated for heat exhaustion by Paramedics crews called to the scene.

It was one of the hottest parade days recalled in the 12 year history of the event. Last year, officials feared the parade would be rained out but the weather changed and the procession proceeded.

Michael, Lori At Carnival

Michael and Lori Rosenberg will be performing Thursday, October 14 at 7:30 p.m. for the Placentia Heritage Days Festival.

Michael, age 15 and Lori, age 16 have recently appeared at the G.O.P. Central Committee picnic, Fullerton Lions Club, Orange County Fair Rotary Clubs, Senior Citizens groups and retirement homes.

Michael has already compiled an impressive lists of credits. He was Winthrope in "Music Man," Patrick in "Mame" and Friedrick in "Sound of Music" with the Fullerton Civic Light Opera.

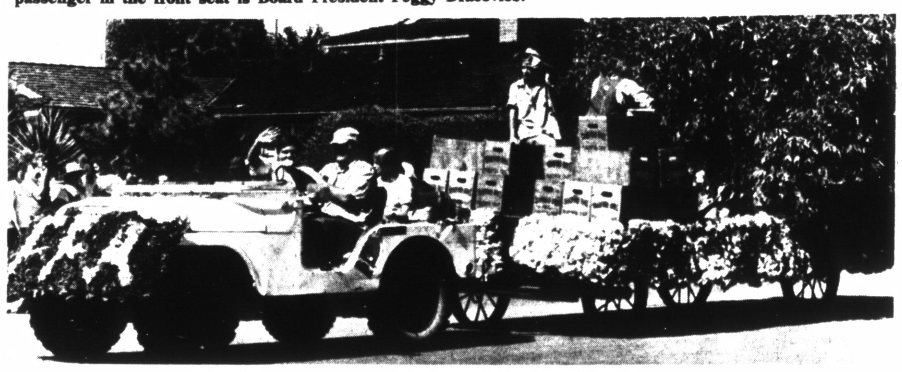
He has sung with the All American Boys Chorus, Sing Out Young Generation, Yorba Linda First Ward Choir, and the Vocal Ensemble at El Dorado High School.

Johnson Air Force Graduate

San Antonio -- Airman John E. Johnson, son of Mrs. Pat S. Walters of Charleston, S.C., has graduated at Lackland AFB, Tex., from Air Force basic training. His father, John J. Johnson, lives at 1531 Shasta Way, Placentia.

The airman, who studied the Air Force mission, organization and customs and received special instruction in human relations, is remaining at Lackland for specialized training in the security police field.

IT's FIRE ENGINE NUMBER ONE-the vintage machine that has been reserved by the city of Placentia for use in parades and other special events. Driving is Alan Ford, treasurer of Placentia Heritage Days Festival Board and his passenger in the front seat is Board President Peggy Dracovies.



AN ORANGE TREE driving down the parade route was the focal point for the Future Farmers of America float which won a third place trophy. Members also distributed sample oranges to the parade crowds. The exhibit was much more of a novelty than it might have been ten years ago before all the people came and the groves left.

Flags Can Fly

Linda Dawson, Americanism Chairman of the Placentia Junior Round Table, would like to remind the residents of Placentia and surrounding communities to display their flags during the coming holidays. United Nations Day, October 24th, Veterans Day, October 25th, and Election Day, November 2nd should all be flag flying days.

By flying our flags on these days, we can be proud that we are living in a country where we are free to do so, the group points out.

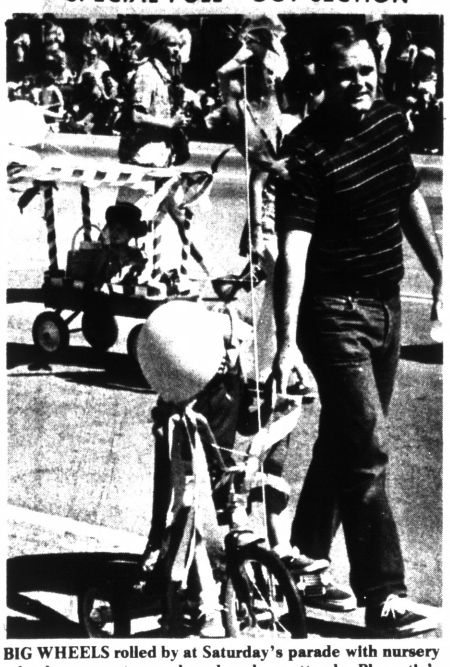
SPECIAL PULL—OUT SECTION



BIG WHEELS rolled by at Saturday's parade with nursery school youngsters aboard who attend Placentia's Community Nursery School at the Presbyterian Church. Note the covered wagon in the background And the cover came in very handy in the 99 degree weather.

Medallions Available

One of the last chances to buy the official Placentia Bicentennial-50th Birthday of the city medal will be afforded to guests and participants in Placentia's 12th annual Heritage Days Festival which runs from Saturday, October 9 through Sunday, October 17.

The medallions will be on sale for the four days of the carnival, Thursday through Friday, October 14 through 17 at the carnival site, Yorba Linda and Kraemer Boulevards, Mrs. Doris Black, chairman of sales reports.

The bronze medallions, with the Bicentennial seal on one side and the city insigna on the other, will be available for $3 each. Necklaces that hold and protect the coins will be on sale for $5.20 each excluding the medallion, Mrs. Black reports.

Good Feeling

When the Los Angeles Dodgers won 23 out of 27 in 1976 it marked the best stretch for a Dodger club since the 1955 Brooklyn Bums were 25-4 to open the season.

MON AMI collects a parade trophy for their vintage car presented in Saturday's parade. Here Mon Ami president Thelma Kozlowski collects the award. Observing are youngsters of the Ray Dracoules and Marvin Reid families.

PARADE JUDGES out in the noonday sun had a difficult task choosing winners Saturday from the many colorful parade units joining the Heritage Day's procession. Temperatures soared and warm uniforms proved to be a handicap for the brave marchers some of whom were later treated for heat prostration.

Local Talent Outstanding In Musical

A pleasantly engaging evening gave Placentia theater-goers a taste of the city's exceptional musical talent Sunday night and provided an outstanding event for the Placentia Heritage Day Festival.

The performance was brought about through the cooperative efforts of several of the area's churches and the multi-talents of Placentia Unified School District students and personnel.

The result was an outstanding evening of music along with a touch of patriotism including a musical called "I Love America."

The audience which half filled the Valencia High School Auditorium applauded often and long and with good excuse. A variety of entertainment was presented, all well performed and in good taste.

Wait until television discovers the Tebay family. Dad is the pastor at Placentia's Calvary Church and they appear to be able to do everything musical.

Especially outstanding at the Sunday night performance was a Calvary Church Ensemble with soloist Johnny Juarez, who sings loud and clear. With David Tebay on drums, Johnny Tebay on bass (or guitar) and Lori Tebay at the piano, this group is guaranteed to hold anyone's attention.

Their selections were unusual and ear-catching.

Singling anyone out is a little unfair, as the roster of performers did an outstanding job, offering their wide variety of talents.

Rev. Philip Lewis of Calvary Church was the master of ceremonies. A community sing led by talented Mike Hagemeister was well received. The Eastside Christian Church of Fullerton's Rejoicing Juniors were popular performers under the baton of Tim Neuenschwander who was outstanding later in a solo.

A talented quartet of singers Barbara Schmidt, Dixie Shaw, Howard Dix and Frank Freeman next performed. Reverend David and Eileen Brostrum (Church in the Marketplace --Baptist) sang Scandinavian hymns from the old country.

Brief talks on Biblical themes as applied to the importance of government. the responsibility of government leaders and the responsibility of citizens were delivered opportunely with the Bicentennial theme by Rev. Brostrom, Fred West, Calvary Church and Rev. Erwin Walz, Redeemer Lutheran Church, Placentia.

Then everyone combined their talents in the patriotic "I Love America", under the able baton of the Placentia Unified School District's Music Coordinator, Bill Foster.

Chorus, solosits and musicians were all outstanding.

Among those presenting the evening's patriotic program, which was provided free to the public, were soloists Sharon Barnes, Maria Ethington, Chris Clelland and Paul Ethington.

Eugene Kreyche was narrator for the musical and Stanley Crane handled sound and lights.

The orchestra included: violins, Carmen Allen, Athelia Atkinson, Linda Owen, Patricia Pacheco and Jeanette Roberts. Violas: Theda Leventhal and Linda Northrop. Cellos: Ben Brostrom, Lois Mills and Paula Snow. Bass: Andrew Bumatay. Flutes: Madeleine Brady and Marilyn Thomassen. Trumpets: Jim Brown, Gordon Brushweiler and Gary Lee. Horns: Frank Koppala and Carl Overby. Trombones: Bruce Aug, Brad Fogal and Eric Post. Percussion: Bruce Healy and Richard Watson and piano Judy Mahoney.

The chorus included, sopranos: Sharon Barnes, Chris Clelland, Yvonne Crane, Christine Delgado, Mrs. Swayne Dietz, Mrs. Jacob Hill, Susan Hill, Shirley LaChance, Darlene Lomheim, Mrs. Joseph Shephard, Edith Sjolin, Lori Tebay, Tressen Wankes, Cheryl Weaver and Maureen Weaver.

Tenors: John Clelland, Paul Ethington, Mike Hagemeister, Ron Kean, Charlie Kennedy, Tim Neuenschwander, Pat Olson and David Tebay.

Altos: Elsa Borcherding, Karen Christensen, Betty Clinton, Sarah Dilbek, Maria Ethington, Diane Grubb, Christy Hagemeister, Karen Kennedy, Linda Schnabl and Cari Tebay.

Basses: Milton Borcherding, Frank Freeman, Jack Greene, Allen Hildebrandt, Jack LaChance, Jim Lomheim, Dwain Miller and Johnny Tebay..... **Betty Mead.**

REJOICING JUNIORS from Eastside Christian Church in Fullerton spelled out LIBERTY for the audience gathered at the Valencia High School Auditorium Sunday night to participate in an unusual Community Bicentennial Celebration. The young singers here are performing "Let's Sing About Liberty."

Big Band Sound Comes To Festival

The Big band sound will come to the Placentia Heritage Festival Days with the Newport Jazz Ensemble who will perform at the grandstand, located at the carnival site at Kraemer and Yorba Linda Boulevards.

The ensemble will appear on Friday, October 15, from 8:30 p.m. to 10 p.m.

This group of young jazz musicians has played all over California and recently had five engagements this past summer in Hawaii. They have most recently played at the Los Angeles County Fair.

THE MAT RATS from Placentia delighted the parade crowds with their agility and daring over the hot parade pavements. With nothing underneath them but cement, they performed a wide variety of acrobatic stunts. The troupe will soon be moving to Yorba Linda, they announced.

MISS PLACENTIA, Deanna Musgrove and her court, Renee Anello and Diane Ballantyne, were among the pretty girls on hand at Saturday's parade.

Tigers Yield To La Habra

By Brian Hilderbrand

Valencia gave up its second Orange League loss to the No. 2 ranked team in CIF, La Habra, by a score of 29-7, Friday night at Bradford Stadium.

Again, as in last week's game, the Tigers didn't look as bad as the score showed, especially in the second half. Mino Rodriguez had an excellent night at quarterback, completing eight of 14 passes for 196 yards, including a 28 yard pass to tightend Carlos Esquivel for the Tigers' only score.

The Highlanders did most of their damage in the first half, putting the game out of reach by posting 21 points on the board.

La Habra's initial score capped a 75 yard drive following the opening kick-off. Greg Gomez ended the drive by scoring from the six on a dash up the middle. Mike Findling's PAT kick was blocked.

From the six yard line, Chris Palmer ran the ball across for the score with 34 seconds left in the period. Gomez ran in the PAT for two points, giving the Clan a 14-0 edge.

John Gozzo was on the receiving end of a 28 yard touchdown pass in the second quarter for La Habra's third tally. Findling's PAT kick was good, giving LH a 21-0 halftime lead.

Valencia came up with their sole touchdown early in the third quarter as Rodriguez showed his passing ability. He hit Esquivel in the end zone with a 28 yard pass. Rodriguez kicked the PAT to make it 21-7.

The final scoring came in the final period after the Clan's Brad Foreman recovered the loose ball at their own 15. La Habra marched down to the Tigers 18, where Mark Hertzler ran it in. Gomez again ran in for the two point conversion, producing the 29-7 finale.

Church Plans Festival

Brea Congregational Church, 300 East Imperial Highway, will host the annual International Festival on Saturday evening, October 16.

This event, sponsored by the Board of Christian Concern, is a benefit for World Hunger and the American Indians, according to Elizabeth Meyer, Chairman.

Beginning at 6 p.m., visitors may browse and shop for gift items in the bazaar booths which offer a wide variety of handmade articles, both new and of heirloom vintage. The plant boutique will feature over 300 specimens, ranging from exotic succulents to landscape trees and shrubs.

Sandwiches, salads and an elaborate array of International desserts may be purchased a la carte in the dining area.

At 7:30 p.m., the curtain will go up for the evening entertainment. Jack Robertson and Arlene Stanfield, accompanied by Tressa Mabry, will present Bonnie Songs of Scotland, a selection of authentic, traditional Scottish music.

Marilyn Rome will perform several brilliant piano solos and will accompany the Festival Chorus in a whirlwind musical trip around the world.

There will be an admission donation for the entertainment portion of the Festival only, $2.50 for adults and $1.50 for children and senior citizens. The Festival is open to the general public according to the Reverend William W. Meyer. Further information may be obtained by phoning 529-3014 or 529-5790.

Church Is Recycling

The Council on Youth Ministries of the Valencia United Methodist Church is sponsoring a recycling day on Saturday, October 16.

A truck will be available from 9 a.m. to 12 noon at the church to receive newspapers. Receptacles will also be available for glass and aluminum cans.

The purpose of the recycling day is to raise money for the United Methodist Youth Service Fund which provides grants for youth projects in the Southern California-Arizona area. By raising money for this fund, the youth of Valencia United Methodist Church can help other youths in this area being assisted by the various projects.

If you have newspapers, aluminum cans or glass bottles or jars you would like to have recycled, bring them to the church at 2050 Valencia Avenue, Placentia, between 9 a.m. and 12 noon on October 16th. If you need to have your items picked up, call the church office at 528-1483, to make arrangements.

Esperanza PTA Drive

Along with the opening of school, local Parent Teacher Associations are starting their membership drives.

For Esperanza, El Dorado and Valencia High Schools, there is little extra incentive. The three schools are competing in a membership contest in which the school with the highest percentage of members wins a plaque.

This is the second year of the contest. El Dorado was last year's winner, but Esperanza has already formed their campaign for this year.

"We're really excited about the membership drive, and we're looking forward to winning that plaque", stated Sandy Stephen, Membership Chairman for Esperanza's PTA.

The PTA's are hoping that through these contests, memberships will be increased in all three high schools.

Esperanza memberships will be available at Back To School Night on October 21 for all parents.

Bab Birth Noted

On October 20, the Baha'i Group of Yorba Linda will celebrate the 157th anniversary of the Birth of the Bab (pronounced Bob), who Baha'is believe was the first of the two Prophets sent by God to educate mankind in this age.

The Bab was born Siyyid Ali Muhammad in Shiraz, Iran in 1819. He took the title of the Bab, which means Gate of God, when he declared his Baha'i mission in 1844. The Bab revealed a Holy Book, the Bayan, in which He set forth laws and teachings, and foretold the coming of Baha'u'llah, Prophet-Founder of the Baha'i Faith.

The Bab and His disciples were persecuted by the Muslim clergy, who regarded Him as a heretic. In 1850, the Bab and a young disciple were publicly martyred by a military firing squad of 750 soldiers in Tabriz. More than 20,000 of his followers were murdered throughout Iran.

The physical remains of the Bab are preserved in a shrine on Mount Carmel in Haifa, Israel. Baha'i pilgrims from all parts of the world visit the shrine at the Baha'i World Center.

The Baha'i Faith is an independent world faith founded by Baha'u'llah, who taught the unity of God, the unity of religion and the unity of mankind.

At each stage of human evolution, He explained, God has sent a Divine Educator with teachings suited to the needs of the particular age.

In addition to calling upon mankind to worship God, the Baha'i teachings stress the oneness of mankind, the equality of men and women, the basic harmony of science and religion, and the need to eliminate all forms of prejudice.

Exercized to receive by asking.
If you feel you don't have any Faith ask about getting it.
If you have it, share it with others.

RAYDRA INTERIORS

"Peggy's Pointers"

Holiday entertaining puts more emphasis on dining rooms. Do you have your dining room furniture? Have you thought about it at all?

It is time to get busy and buy a dining room group, if you plan to have it in time for Thanksgiving - at this point, it may be more like Christmas before you receive shipment on it.

Even before deciding which style you'd like, measure your dining room. It is very important to be sure to have enough room for the group you want to buy. Tables come in many sizes and shapes, and if you have too large a table, you'll never get the best use of it. Be sure to ask for help with planning the arrangement of furniture in your dining room...what size china cabinet do you have room for? Maybe you need a small buffet or server instead. Give careful thought to these things, you'll be making an expensive investment!

Welcome for Newcomers

Newcomers to Rose Drive Friends Church will get acquainted with the staff at the church, next Sunday noon. The occasion is a Newcomers-Staff Potluck in which families join together for a fellowship meal. Over 50 newcomers have received invitation to the relationship building event.

Newcomers are those who have attended the church three times or more, but have not yet had time to get acquainted with all the staff members. After the meal each staff member tells a little about his family, his role at the church and his faith. The newcomers share items of interest about their families, occupations and special interests.

Staff members at Rose Drive Friends Church include C. W. Perry, pastor; Charles Mylander, associate pastor; Harold Slick, youth director; Jo Worthington, children's director; Doug Clark, assistant youth director; Rosemary Metheny, music director; Pat Shaffer, office manager; Cathi Gebler, secretary; and Christy Minton, Little Friends Pre-school director.

Knowing the church staff on a first name basis builds relationship bridges for mutual service in the future.

The church holds the events about once each two months. Rose Drive Friends church is located on the corner of Bastanchury Road and Rose Drive in Yorba Linda.

Tri-City Tax Bill

The status of an approximate $5,000 tax bill levied against Tri-City Park, was still not resolved this week as park authority members confirmed they will seek to have the assessment revoked.

The undeveloped park, owned by the three cities of Placentia, Fullerton and Brea and including Orange County monies, has remained on the tax rolls through the transition period, Robert J.Schreiber, Brea's Director of Finance and the authority's treasurer explained.

The tax bill is currently charged to the authority.

Authority members took action at last week's meeting held in Placentia, to seek to have the assessment set aside.

The group next meets in the Brea City Hall on Wednesday, November 3 at 7:30 p.m.

Actual work is expected to start on the park in the near future, authority members revealed. Planning began more than two years ago.

Authority members attending the Placentia meeting included Mayor George De Jesus, who is the authority chairman; Thomas Collins, representing Orange County Supervisors and Brea members Councilman Sal Gambina and Recreation and Parks Commissioner Gene Leyton.

The park is located at the northwest corner of Placentia where the three cities meet.

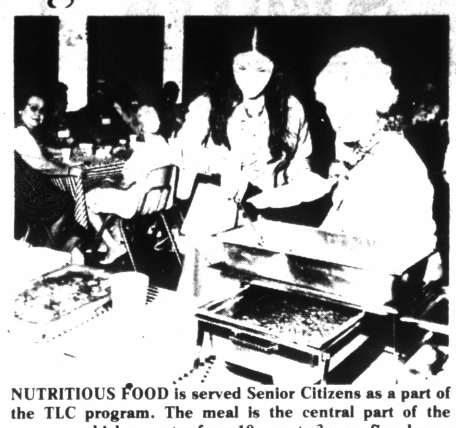
Senior Lunch Program Curtailed



NUTRITIOUS FOOD is served Senior Citizens as a part of the TLC program. The meal is the central part of the program which operates from 10 a.m. to 3 p.m. five days a week and is free to low income seniors. Elfega Larsen, administrative assistant for Project TLC for Orange County and Sharline Dunn, cite coordinator for Placentia's program, begin to serve the noon meal.

SENIOR CITIZENS who are a part of the TLC program, receive a free lunch five days a week. The nutritious food is cooked off the premises and delivered to the Whitten Community Center where the program is now in operation. Here Rosa Garcia and Sarah Lopez prepare to serve coffee.

[Continued from Page 1]

where it reportedly flourished with around 50 senior citizens using the offerings on a daily basis.

Since moving to the Whitten Center recently, it has lost some of its customers, it is reported, mostly people who walked to the facility from the general Backs Building neighborhood. The Whitten Center for those who chose to walk is too far away.

However, it appeared this week that that number would somehow have to be dropped anyway. Placentia now has been given a firm quota of 35 lunches a day. This week signups for lunch on ensuing days were anxious as participants hoped to hold their place on the program.

Many of the people being served are handicapped and of minority racial backgrounds, Elfega Larsen, administrative assistant for the Project TLC for Orange County pointed out. At least that is true in Placentia and this is a group that has high priority in the planned program.

Ms. Larsen explained that transportation costs, inflation, staff raises and high insurance rates were creating havoc with the budget and more monies were simply not available.

The extent of the effect on Placentia residents who are dependent on the program was not immediately apparent. It is expected that many, who need the assistance, will have to be turned away. They will, however, be placed on a waiting list.

The TLC project offers some place to go and something to do for senior citizens, many of whom live alone, who otherwise might have little contact with the outside world, it was pointed out.

For those who are handicapped, have no transportation and cannot walk, shuttle bus service is provided. Activities start at 10 a.m. and continue to 3 p.m. The major event of the day is the free hot lunch provided at noon. This is cooked at the TLC kitchen and transported here. Menus are nutritionally balanced and appetizing.

Volunteers also are badly needed to assist with the program.

Other local activities include, beside the natural camaraderie, any type of counseling the seniors feel they need, including advise on health care, finances, other problems. This is provided by paid staff.

Other provisions for occupying time profitably include arts and crafts sessions, music and general social activities. Materials for such activities, however, are at a premium, along with a lack of other things that it takes money to buy.

The Santa Ana headquarters of the program estimates that additional lunches could be served to the waiting list expected to grow here, for $1 a day...that would be $5 a week for an individual.

"But we simply do not have that additional amount to spend," officials explained. "The number in Placentia is 35. We can't allow for anymore."

As staff members here expressed their concern on how to turn people down who wish to join the program and have need for its services, there appeared to be no easy solutions. And none that do not involve money.

In the meantime the program was continuing this week with the first lucky 35 who sign up for each day's meals. After that it was onto the waiting list.

Staff members indicated also that there is a need for all types of odds and ends to keep the seniors busy at their crafts programs.

"We can use just about anything," Sharline Dunn, the newly appointed Placentia site coordinator explained. "Material scraps, yarn, wood plaques, paint, paste, scissors."

"We need decorations for holidays, especially for Christmas... puzzles, a camera would be helpful. We need a photo album, scrapbooks. Oh yes, and Bingo prizes! Any kind."

Bingo is the entertainment on Fridays.

In fact it appeared in viewing the project this week that the program could use just about anything, including some Tender Loving Care.

Wiggins Speaks

Chamber president Rose Lembke announced today that Congressman Charles E. Wiggins will be the guest speaker at the October general luncheon meeting.

Members and guests are invited to attend the general membership luncheon meeting scheduled for October 21 at Rembrandt's Restaurant beginning at 12:15 p.m.

Congressman Wiggins is now serving his fifth term in the United States House of Representatives.

In the House he serves on Judiciary Committee, he serves on two subcomittees, one dealing with criminal justice systems and the other with courts and civil liberties.

Because of his present committee assignments and his former service as the ranking Republican member on the House Select Committee on Crime, the Congressman is closely associated with legislation dealing with court reform drug abuse, and prisons. He is also interested in conservation legislation and labor law review.

Although he is not associated with a law firm, the Congressman is an attorney admitted to practice before all California and federal courts. He is a graduate of the University of Southern California where he received a Bachelor of Science degree in finance and his law degree.

Wind Chimes At Library

The Placentia Library District has a new exhibit of handmade ceramics on display in the northeast display case, now until the end of October, the facility reports.

The artists are Paul and Marilee Makuh of Placentia.

The unusual exhibit features porcelain wind chimes made of high fire porcelain and stoneware clay.

First the chimes are fired at a low temperature (bisque), stained with an iron oxide, then fired again to a heat of 2345 degrees Fahrenheit. This gives a high-pitched chime to the clay body and makes them very durable in the wind.

The small stoneware beads are made in the same way.

PTA Seeks Members

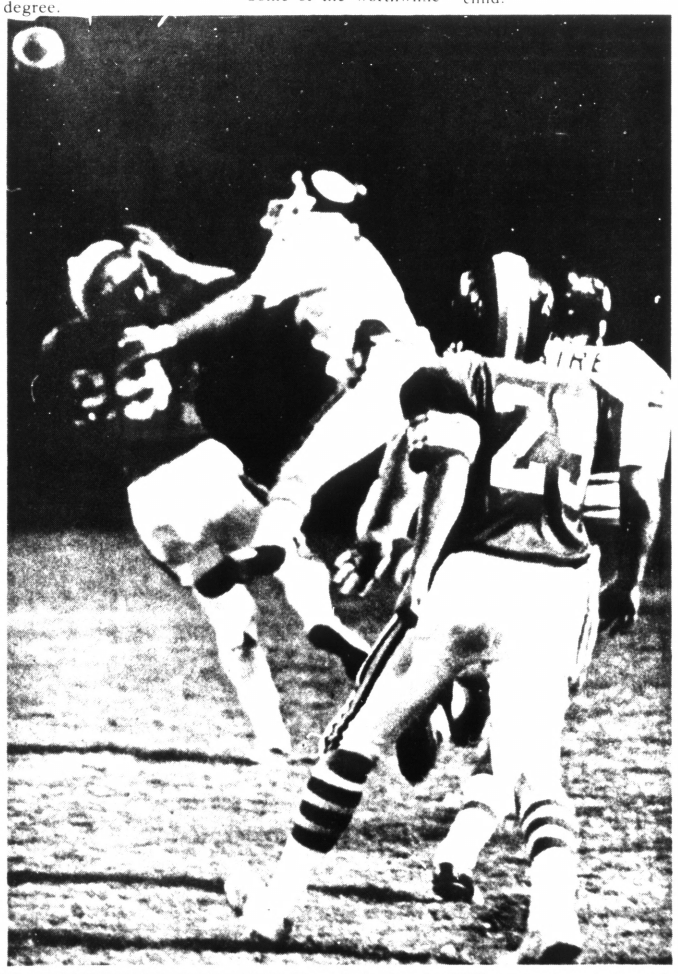
Golden PTA will be having their annual membership drive, the week of Oct. 18th.

Mrs. Barbara Pritchett, and Mrs. Marlene Stewart, co-chairmen encourage 100% participation.

Along with parents, and teachers, any other interested person in the community is welcome to join, whether or not they have children in school.

Some of the worthwhile accomplishments of PTA have been setting up the libraries, buying equipment for classrooms, ice cream sales and an annual carnival.

Tickets for the school carnival to be held Saturday, Nov. 6, will be awarded to the class with the highest membership. First place 5 tickets per child, second place, three tickets per child.



INTERCEPTION/INTERFERRENCE- Tiger Carlos Esquivel [89] serves as a valuting pole for a La Habra player to go up and intercept the pass. The official objected, however, giving Valencia the benefit of the pass interference call with its 15 yd. penalty.

The announcement was made by Sam Inlow, resident manager of INA's Orange office.

The tournament was one of a series of local competitions being held throughout the country among INA agents in conjunction with INA's sponsorship of the U.S. Professional Indoor Tennis Championships.

The INA U.S. Pro Indoor, played every January in Philadelphia, is the largest indoor tennis competition in the world. In it, the top 50 men players on the international circuit compete for $200,000 in prize money.

Bouse will go on to a regional INA tennis competition in Phoenix in November, where he will have an opportunity to qualify for a visit to Philadelphia to see the INA U.S. Pro Indoor and to play in a special INA Pro-Am paired with one of the leading professional players.

Hawks Sweep Field

By Brian Hilderbrand

Charles Lundin of La Habra crossed the finish line first, but El Dorado swept the team honors from Canyon and La Habra in Thursday's Orange League cross country meet at El Dorado.

Lundin was clocked at 9:42, with ED's John Allen placing second at 9:49. Allen tapered 11 seconds off his best time of 10:00. He is the only returning letterman from the 1975 squad.

Taking third in the race from El Dorado was Mike Mulvihill with a time of 9:51. Mulvihill was named Most Imporved in '75, cutting his time from 13.04 to 11:04.

Ken Ernst captured fifth place for the Hawks (9:59), and his brother, Tim ran 10:07 for eighth.

Ninth place was also taken by a Hawk, Carey Baca (10:08). Arlen Herbst ran a 10:09 to finish at

El Dorado won the meet, 23-36 over Canyon, and 20-40 over La Habra. Canyon also beat La Habra, 23-31.

On the sophomore level; El Dorado beat Canyon, 16-43, but lost to La Habra, 25-32.

Freshman Scott Eberhard took first with a 10:42 clocking to power El Dorado over La Habra, 18-39. Scott bested his old time by 37 seconds.

Aztecs Still Unbeaten

By Peter Bourke

Esperanza High School upped their league mark to 2-0 and season record to 4-0 when they decisively downed last place Brea 27-0 in Orange League action last Friday.

The Aztecs were led by the powerful running of senior tailback Don Stodola who tallied a total of 137 yards including runs of 48 and 20 yards. It was the first game this year that Stodola, one of the top county runners last year, broke the 100 yard barrier.

Esperanza's quarterback Jim Teahan piloted the team over defenseless Brea and scored two of the Aztecs' four TD's himself.

Esperanza linebacker John Scargle recovered a Brea fumble with 9:56 remaining in the first half before it was promptly carried in by Brad Goettsche for the 6 points.

It took just 3 plays and 36 seconds for the Aztecs to move the ball in on Goettsche's 7 yard run. The score came by Goettsche's PAT.

Esperanza wasted no time in scoring their second TD, which came following a 40 yard drive with just 2:32 remaining in the first half.

The score came on a 1 yard drive by Teahan, set up by Stodola's 20 yard dash. The PAT was once again successful by Goettsche and the Aztecs went into the locker room up 14-0.

The Aztecs broke out fast in the second half with Brad Goettsche returning the kick off 48 yards to the Brea 42. On the first play from scrimmage, Stodola broke loose for the 42 yards and a TD, only to be called back by an Esperanza holding penalty.

Brea held Esperanza after this and forced them to punt from the Wildcat 40. A costly roughing the kicker penalty gave Esperanza the ball back on the 30 where they promptly brought it in for their 3rd TD.

Stodola scored it on a 1 yard run midway through the 3rd quarter. Goettsche's PAT attempt was unsuccessful.

The Aztecs completed their domination of the Wildcats at 4:14 of the 3rd quarter when Teahan punched through for his second TD on a 1 yard sneak. The TD was made possible by an interception by Esperanza's Mark Herron on the Brea 48 where Stodola carried the ball on one play to the 1 yard line. Goettsche capped the scoring with his third point after of the night.

Esperanza will face a quick El Dorado team this Friday, at Bradford stadium looking to extend their win streak to 5. El Dorado is coming off a 10-7 loss to Canyon last week and are looking for revenge.

The Golden Hawks have had very good showings in each of the three invitationals they have attended, placing second twice, and third.

Allen ran a first place 10:41 in the Costa Mesa Invitational as ED took second place. The meet was held Oct. 2.

El Dorado took second place in the Mammoth Invitational, held on Sept. 18. The CIF A runnerups, Bishop High, captured first place.

At the Long Beach Invitational, held Sept. 25, ED placed third behind first place South Pasadena, and second place Cantwell.

The next league meet for El Dorado will be Thrusday, Oct. 21 against Esperanza. The Hawks will have the home course advantage.
